

Sweet Home Mastermade x (Tiny x) is among the senior sires at Sweet Home Ranch.

DENNY x (Rose Bank Duke P) is easily the largest bull ever used at Sweet Home, the home of massive bulls and females. His calves are tremendous . . . and GOOD. This will be one of your last chances to buy his offspring. Denny x died April 8, 1977.

Benton County Fairgrounds, CORVALLIS, ORE.

Beef, Dual Purpose-Polled Shorthorn, Short.

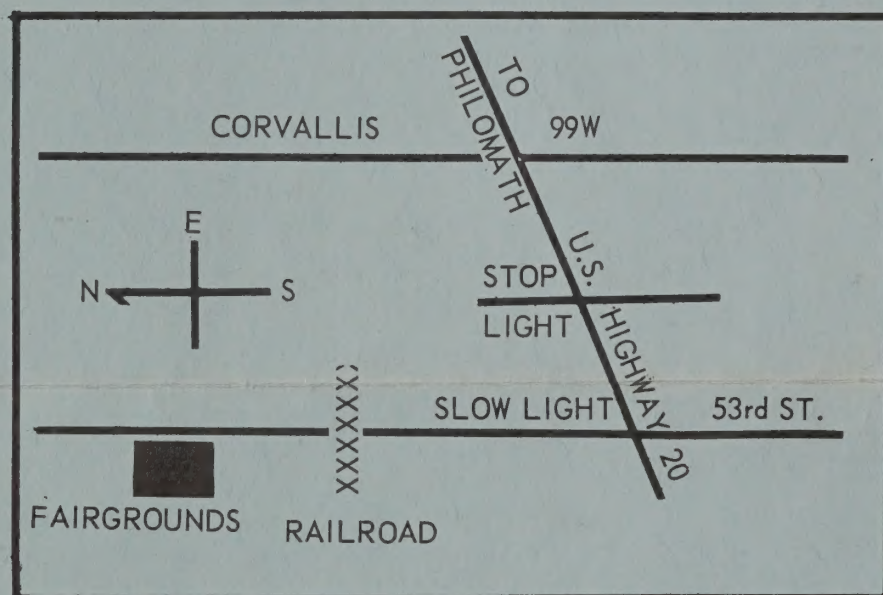

46 Lots

50 Head

Our dual purpose cattle seem to have very good conversion of roughage feeds. Contrary to the expectation of some, they adapt very well to range conditions. They have been among the very first to leave the barn this year and for mighty slim pickings, too.
